

April 3, 2026

Dear Valued Patient,

We would like to inform you that Dr. Mostafa Ahmed will be departing from The Centers for Advanced ENT Care – Montgomery Otolaryngology, effective April 30, 2026. We are pleased to assure you that Dr. Christopher Sinha, along with the Montgomery Otolaryngology care team, will continue to provide high-quality care and maintain continuity for our patients.

You have a choice when selecting your health care team. The full offering of comprehensive ear, nose, throat, allergy, and hearing services will continue to be available to you at our office. Should you wish to continue your current care plan and schedule an appointment with Dr. Sinha, or if you have questions about your current treatment options, please contact our offices at Gaithersburg (301)-963-6334 or Silver Spring (301) 593-5200.

If you choose to pursue treatment elsewhere, you may request your records by submitting an [Authorization to Release Health Information](#) form to our team, or request that your records be transferred to another provider location.

Thank you for trusting your ENT care with our practice. Please do not hesitate to contact us if you have any questions or concerns.

Sincerely,

Christopher Sinha, MD
